

Research Notes and References for TRAFFIC

The posted speed limit in Community Safety Zones on the main roads in Caledon East is 50km. The Community Safety Zones extend from R.F. Hall to Airport Road along Old Church Road and from Huntsmill Drive to Cranston Drive along Airport Road. To make both of these roads safer, a 40km limit should extend from the Caledon East Community Complex to Airport Rd along Old Church Road and from Learnster Trail to Cranston Drive along Airport Road.

This proposal is not a radical one, check out what they are doing in Guelph.

The truck traffic number of 1 Transport truck or Dump truck every minute in Caledon East is based on two traffic monitoring sessions. I conducted them on Wednesday, August 10 from 3:00 pm to 4:00 pm and Friday, August 12 from 8:30 am to 9:30 am at the intersection of Airport Road and Old Church Road.

August 10, 3:00 pm to 4:00 pm - 77 Transport trucks or Dump Trucks

August 12, 8:30 am to 9:30 am- 74 Transport trucks or Dump trucks

You can read about Automated Speed Enforcement devices here. Brampton, Mississauga and Peel Region are ASE Community members.
